Good morning, unfortunately I put the wrong year of birth for my sister for this booking. I put 1951 but it should be 1950. I think the most important thing is her name which I got correct. Do I need to update this

date of birth on the booking? Can you assist with this please?

Srushti Jadhav July 10, 2026 at 6:42 AM

Srushti Jadhav July 10, 2026 at 6:46 AM

Thank you for your patience. I have reviewed your reservation and it appears you are attempting to update the date of birth on the booking. I have examined the available options; however, unfortunately, the airline does not permit us to make this update. In this situation, you may update the correct date of birth during your online check-in process, or you may contact the airline directly to have this information corrected.

Gary Scott July 10, 2026 at 6:47 AM

Okay we will do it on check-in if necessary
